HM Revenue & Customs confirms Rank's bingo claims

The Rank Group Plc ('Rank' or 'the Group') notes today's announcement from HM Revenue & Customs' ('HMRC') confirming that the Group's claims for overpaid VAT on bingo (for which Rank has received £253m) will not be contested further. This confirms Rank's analysis of the European Court of Justice's decision on the Group's bingo claims, which was announced on 10 November 2011.

HMRC's announcement goes on to say that it will continue to contest Rank's claim for overpaid VAT on gaming machines (for which Rank has so far received £30.8m). Rank anticipates that the next stage of this litigation will be heard in the UK courts in the first half of 2012.
