Explanatory Notes

These notes are intended to explain the business to be transacted at the Annual General Meeting.

Resolution 1 – Report and Accounts

The Directors of the Company are required under company law to present the Accounts, the Directors' Report and the Auditors' report on the Accounts to shareholders at the Annual General Meeting.

Resolution 2 – Approval of Remuneration Report

Shareholders are required to approve the Directors' Remuneration Report for the financial year ended 31 December 2003. This report can be found on pages 37 to 41 of the 2003 Annual Report and Accounts.

Resolution 3 – Declaration of final dividend

Shareholders are required to approve the level of the final dividend in respect of the financial year ended 31 December 2003.

Resolutions 4 and 5 – Re-appointment of Directors

One-third of the Directors are required to retire as Directors and therefore Peter Jarvis and Alun Cathcart retire by rotation; both have chosen to submit themselves for re-election. Peter Jarvis does not have a service agreement with the Company but Alun Cathcart does, which is terminable on 12 months' notice. Biographical details of Peter Jarvis and Alun Cathcart can be found on page 23 of the 2003 Annual Report and Accounts.

Resolutions 6 and 7 – Re-appointment and remuneration of Auditors

Under company law, Auditors are required to be re-appointed at every Annual General Meeting.

Resolution 8 – Authority to allot shares

Resolution 8 will allow the Directors to allot unissued Ordinary shares of the Company and securities convertible into shares ("relevant securities"), with pre-emption rights, up to a maximum aggregate nominal value of £21,960,000 which represents approximately 33% of the issued share capital of the Company as at the date of the Directors' Report plus amounts reserved for the exercise of options. The authority will last from the date of the passing of the resolution until the next Annual General Meeting of the Company and will replace a similar authority given at last year's Annual General Meeting. The Directors have no present intention of exercising this authority otherwise than in connection with (i) the exercise of options; and (ii) the granting of rights to the holders of the £167,722,000 3.875% convertible bonds due 2009 (the "Bonds") to convert up to a further £55,907,333 (the "Additional Conversion Amount") in aggregate principal amount of the Bonds into Ordinary shares. For the purposes of the Companies Act 1985, the granting of these additional rights to convert will constitute an allotment of Ordinary shares. Based upon the conversion price of the Bonds in existence

on 8 March 2004 (being the latest practicable date prior to the publication of this document) of £3.764 per Ordinary share, the granting of these additional rights to convert (to the full extent of the Additional Conversion Amount) would result in the allotment of 14,853,170 Ordinary shares representing approximately 2.5% of the issued share capital of the Company as at the date of the Directors' Report. The Bonds were issued by the Company on 20 January 2004. As at the date of the Directors' Report, the Company did not hold any treasury shares.

Resolution 9 – Authority to allot shares for cash

Resolution 9 will allow the Directors to allot unissued Ordinary shares of the Company and securities convertible into shares ("relevant securities") for cash, other than to existing shareholders in proportion to their holdings. The aggregate nominal value of relevant securities which can be allotted under the authority is limited to £2,980,850 being equal to approximately 5% of the nominal value of the issued Ordinary share capital of the Company as at the date of the Directors' Report. The authority will last from the date of the passing of the resolution until the next Annual General Meeting of the Company and will replace a similar authority given at last year's Annual General Meeting. The Directors have no present intention of exercising this authority otherwise than in connection with (i) the exercise of options; and (ii) the granting of rights to the holders of the Bonds to convert up to the Additional Conversion Amount in aggregate principal amount of the Bonds into Ordinary shares. For the purposes of the Companies Act 1985, the granting of these additional rights to convert will constitute an allotment of Ordinary shares. Based upon the conversion price of the Bonds in existence on 8 March 2004 (being the latest practicable date prior to the publication of this document) of £3.764 per Ordinary share, the granting of these additional rights to convert (to the full extent of the Additional Conversion Amount) would result in the allotment of 14,853,170 Ordinary shares representing approximately 2.5% of the issued share capital of the Company as at the date of the Directors' Report. The Bonds were issued by the Company on 20 January 2004. In exercising this authority, the Directors intend to comply with the institutional guidelines that no more than 7.5% of the Company's share capital should be issued on a non pre-emptive basis in any rolling three year period.

Resolution 10 – Authority to make market purchases

Resolution 10 will authorise the Company to purchase up to 15% of its Ordinary shares at or between the minimum and maximum prices specified in the relevant resolution. The power would only be used after careful consideration by the Directors, having taken into account market conditions prevailing at the time, the investment needs of the Company, its opportunities for expansion and its overall financial position. The authority would only be exercised by the Directors if they considered it to be in the best interests of shareholders generally and if the purchase(s) could be expected to result in an increase in earnings per share. A similar resolution was passed at last year's Annual General Meeting.

As at 8 March 2004 (being the latest practicable date prior to publication of this document), there were options outstanding over 21,191,216 Ordinary shares, representing 3.5% of the issued share capital of the Company. If the authority granted under resolution 10 were to be exercised in full by the Directors, such shares would represent 4% of the issued share capital of the Company. The Company has no warrants in issue in relation to its shares.

Resolution 11 – Scrip dividend alternative

Resolution 11 is designed to provide the Directors with the authority to offer scrip dividends as an alternative to cash dividends in respect of the 2004 financial year. It is not currently the Directors' intention to offer such an alternative, but they would like to have this flexibility.

Documents available for inspection

Copies of the Directors' service agreements (which have notice periods of one year or more) and the register of interests of the Directors (and their families) in the shares and debentures of the Company are available for inspection at the registered office of the Company during usual business hours on any weekday (excluding Saturdays and public holidays) and will be available for inspection at the meeting and for a period of one hour before it commences.
