To Ordinary Shareholders

Dear Shareholder

2007 Annual General Meeting

This document contains on pages 2 and 3 the Notice of the 2007 Annual General Meeting of the Company, which will be held at Fredrick's Hotel, Shoppenhangers Road, Maidenhead, Berkshire SL6 2PZ at 11.00am on Thursday, 3 May 2007. A general description of the matters to be considered at this meeting can be found in the explanatory notes on pages 4 and 5.

You will see that in addition to the ordinary business to be conducted at the meeting there are six items of special business.

Five items of special business relate to the Company's authority to allot shares, to disapply pre-emption rights, to make market purchases of its Ordinary shares, to make EU political donations as defined in the Political Parties, Elections and Referendums Act 2000, and to communicate with shareholders by electronic means. The remaining item of special business concerns the proposal to amend the Rules of the Company's 2005 Long Term Incentive Plan ('the Plan'). A summary of the proposed amendments to the Rules of the Plan is set out in Appendix 1 on page 6.

The notes on pages 4 and 5 more fully explain the background to each of the resolutions to be proposed at the meeting.

Actions to be taken

A form of proxy for use at the forthcoming Annual General Meeting is enclosed. Whether or not you intend to be present at the meeting, you are urged to complete and return the form in accordance with the instructions printed on it so that it is received by the Company's registrars not later than 48 hours before the time fixed for the meeting. If you are a CREST member, you can submit your proxy electronically through the CREST system. Details are set out in the notes to the Notice of Annual General Meeting on page 3. Completion and return of the form will not prevent you from attending and voting at the meeting in person if you wish.

Recommendation

Your Directors consider the passing of all of the resolutions at the Annual General Meeting, including those to be proposed as special business, to be in the best interests of the Company and the shareholders as a whole.

Accordingly your Directors unanimously recommend shareholders to vote in favour of all of the resolutions to be proposed at the Annual General Meeting, as they intend to do in respect of their own beneficial shareholdings.

Yours sincerely

Peter Johnson Chairman

Explanatory Notes

These notes are intended to explain the business to be transacted at the Annual General Meeting.

Resolution 1 – Report and Financial Statements

The Directors of the Company are required under company law to present the Financial Statements, the Directors' report and the auditors' report on the Financial Statements to shareholders at the Annual General Meeting.

Resolution 2 – Approval of Remuneration report

Shareholders are required to approve the Directors' remuneration report for the financial year ended 31 December 2006. This report can be found on pages 26 to 32 of the 2006 Annual Report and Financial Statements and a summary of it is included in the 2006 Annual Review.

Resolution 3 – Declaration of final dividend

Shareholders are required to approve the level of the final dividend in respect of the financial year ended 31 December 2006.

Resolutions 4, 5 and 6 – Re-appointment of Directors

Peter Johnson (a member of the Finance and Nominations Committees) succeeded Alun Cathcart as Chairman on 1 March 2007 and, as he was appointed as a Director since the last Annual General Meeting, is submitting himself for re-appointment. Peter, aged 59, is also Chairman of Inchcape plc. He joined Inchcape in 1995, was appointed to the Inchcape Board in 1998, became Group Chief Executive from 1999 until 2005, and non-executive Chairman from 2006. He is a non-executive Director of Bunzl plc, a Director and Chairman of Automotive Skills Limited and a Vice President of IMI (The Institute of the Motor Industry). He was previously Sales and Marketing Director of the Rover Group, Chief Executive of the Marshall Group and a non-executive Director of Wates Group Limited. He has a service agreement with the Company terminable on three months' notice.

In addition, one third of the other Directors are required to retire as Directors at the Annual General Meeting and therefore Richard Greenhalgh and Brendan O'Neill will be retiring by rotation. Richard Greenhalgh is currently Chairman of the Remuneration Committee, the Senior Independent Director, and a member of the Nominations Committee. Brendan O'Neill is a member of the Audit and Nominations Committees. Neither of them has a service agreement with the Company. The biographical details of Richard Greenhalgh and Brendan O'Neill, both of whom are non-executive Directors, are set out on pages 22 and 23 in the 2006 Annual Report and Financial Statements and also in the 2006 Annual Review.

Resolutions 7 and 8 – Re-appointment and remuneration of auditors

Under company law, auditors are required to be re-appointed by shareholders at every Annual General Meeting.

Resolution 9 – Authority to allot shares

Resolution 9 will allow the Directors to allot unissued Ordinary shares of the Company and securities convertible into shares ('relevant securities') with pre-emption rights, up to a maximum aggregate nominal value of £20,200,000 which represents approximately one third of the issued share capital of the Company as at the date of the Directors' report plus amounts reserved for the exercise of share options. The authority will last from the date of the passing of the resolution until the next Annual General Meeting of the Company. The Directors have no present intention of exercising this authority otherwise than in connection with the exercise of options.

Resolution 10 – Authority to allot shares for cash

Resolution 10 will allow the Directors to allot unissued Ordinary shares of the Company and securities convertible into shares ('relevant securities') for cash, other than to existing shareholders in proportion to their holdings. The aggregate nominal value of relevant securities which can be allotted under the authority is limited to £2,700,000 being equal to approximately 5% of the nominal value of the issued share capital of the Company as at the date of the Directors' report. The authority will last from the date of the passing of the resolution until the next Annual General Meeting of the Company. The Directors will have due regard to institutional guidelines in relation to any exercise of this authority, particularly the requirement for prior institutional consultation before making any issue which exceeds 7.5% of the Company's issued share capital in any rolling three year period. The Directors have no present intention of exercising this authority otherwise than in connection with the exercise of options.

Resolution 11 – Authority to make market purchases

Resolution 11 will authorise the Company to purchase up to 15% of its issued Ordinary shares at or between the minimum and maximum prices specified in the relevant resolution. The power would only be used after careful consideration by the Company, having taken into account market conditions prevailing at the time, the investment needs of the Company, its opportunities for expansion, and its overall financial position. The authority would only be exercised by the Directors if they considered it to be in the best interests of shareholders generally and if the purchase(s) could be expected to result in an increase in earnings per share.

As at 14 March 2007 (being the latest practicable date prior to the publication of this document), there were options outstanding over 15.7m Ordinary shares, representing 4.02% of the issued share capital of the Company. If the authority granted under resolution 11 were to be exercised by the Company in full by the Directors, such shares would represent 4.73% of the issued share capital of the Company. The Company has no warrants in issue in relation to its shares.

Explanatory Notes continued

Resolution 12 – EU political donations

The Political Parties, Elections and Referendums Act 2000 ('the PPER Act') requires the Company to seek shareholders' authority for any EU political donations and EU political expenditure made by the Company. It has been our long-standing practice not to make payments to EU political parties and we intend that this will remain the case. However, the PPER Act is very broadly drafted and may catch activities such as funding seminars and other functions to which politicians are invited, supporting certain bodies involved in policy review and law reform and matching employees' donations to certain charities.

Accordingly, the Directors have decided to seek shareholders' authority for political donations and expenditure in case any of our normal activities are caught by the legislation. The authority sought would be capped at £200,000 for the next year and, although the PPER Act permits shareholders to grant authority for up to four years, the Directors will seek to renew this authority at each Annual General Meeting in accordance with current best practice.

Resolution 13 – Electronic communications with shareholders

Resolution 13 permits the use of electronic means for communication with shareholders and authorises the Company to send documents in electronic form or to use website publications.

Resolution 14 – Authority to amend the Rules of the 2005 Long Term Incentive Plan

Resolution 14 will give approval for the Rules of the 2005 Long Term Incentive Plan to be amended. A summary of the proposed amendments is set out in Appendix 1 on page 6 of this document.

Documents available for inspection

The current and proposed Rules of the Company's 2005 Long Term Incentive Plan, the Directors' service agreements, the terms and conditions of appointment of non-executive Directors, and the register of interests of the Directors (and their families) in the shares and debentures of the Company are available for inspection at the registered office of the Company during normal business hours. All of these documents will also be available for inspection on the date of the Annual General Meeting at Fredrick's Hotel, Shoppenhangers Road, Maidenhead, Berkshire for a period of at least 15 minutes prior to the commencement of the meeting and until the meeting closes.

Appendix 1

Summary of the proposed amendments to the Rules of the 2005 Long Term Incentive Plan ('the Plan')

The amendments proposed to be made to the Plan would permit the Remuneration Committee to:

- Introduce financial performance metrics in addition to or in place of the relative total shareholder return performance measures for future awards under the Plan; and
- Make awards where performance is measured over three or four years, currently the Rules only allow for performance to be measured over a three year period.

The Board is proposing to suspend normal grants under the Executive Share Option Scheme if these amendments to the Plan are accepted. The Executive Share Option Scheme will only be used in special cases of recruitment and retention.

The change to a financial performance measure

Despite changes made in 2005 to the relative total shareholder return comparator group, it is very difficult to establish a comparator group of reasonable size and stability for The Rank Group Plc ('Rank') in its new form. Rank's main competitors are no longer UK listed companies and the retail, leisure and hotel companies which dominate the FTSE sector in which Rank is placed face different business challenges from Rank and have share prices that do not correlate with Rank's share price.

The Board believes that a clearer measure of executive medium term performance will enhance focus on achievement of stretching operational and financial goals in the challenging environment following the introduction of the smoking ban.

It is proposed that the financial measure selected to apply to the awards to be granted under the Plan in 2007 will be growth in adjusted earnings per share. The base line for calculation will be fully adjusted to take account of the return of capital to shareholders, the share consolidation in 2007 and the impact of divestments on base earnings in 2006. The Remuneration Committee will periodically review any adjustments to earnings, and the impact of non-organic capital investment, to ensure that the adjusted earnings per share measure, and its calibration, retains integrity and an appropriate incentive effect throughout the performance period. The precise targets for threshold and maximum vesting will be set immediately prior to the first grant of awards under the Plan in 2007 if this amendment is accepted at the Annual General Meeting. The targets will be set having regard to internal forecasts for Rank and analysts' expectations for the leisure sector.

The awards made subject to a financial performance condition and vesting schedule will be reviewed by the Remuneration Committee at the end of the performance period, and only if a satisfactory level of total shareholder return has been achieved will the awards be permitted to vest.

The change to the performance period

It is proposed that the Rules of the Plan are amended to permit the grant of awards with a four year performance period. Such awards will require sustained performance over a longer period than the normal three year period. In the view of the Board this is advantageous for retention of executives and also in extending their time horizon for performance.

For the 2007 award it is proposed that half of the award is subject to a three year performance period and half of the award is subject to a four year performance period. There is no retesting of either element of the award.

Unchanged elements

No other amendments are proposed to the Plan as agreed at the Annual General Meeting in 2005. The grant maximum in any one year is maintained at 150% of salary, and in 2007 it is not proposed to make grants in excess of 100% of salary to any executive. The threshold level for vesting is 30% of the total grant and the maximum is 100% of the grant. Terms for early termination are in line with current institutional shareholder guidelines. Dilution levels are unchanged.

Recommendation

The Board strongly supports these changes to the Rules of the Plan as a means of providing a compelling incentive to executives to grow shareholder value.
