To ordinary shareholders

Dear Shareholder

2009 Annual General Meeting

This document contains on pages 2 and 3 the notice of the 2009 annual general meeting of the Company, which will be held at Fredrick's Hotel, Shoppenhangers Road, Maidenhead, Berkshire SL6 2PZ at 11am on Thursday, 23 April 2009. A general description of the matters to be considered at this meeting can be found in the explanatory notes on page 4.

You will see that in addition to the ordinary business to be conducted at the meeting there are four items of special business.

The items of special business relate to the Company's authority to allot shares, to disapply pre-emption rights, to make market purchases of its ordinary shares, and to make political donations as defined in the Companies Act 2006.

The notes on page 4 more fully explain the background to each of the resolutions to be proposed at the meeting.

Actions to be taken

A form of proxy for use at the forthcoming annual general meeting is enclosed. Whether or not you intend to be present at the meeting, you are urged to complete and return the form in accordance with the instructions printed on it so that it is received by the Company's registrars not later than 48 hours before the time fixed for the meeting. If you are a CREST member, you can submit your proxy electronically through the CREST system. There is also an electronic proxy appointment facility. Details are set out in the notes to the notice of annual general meeting on page 3. Completion and return of the form will not prevent you from attending and voting at the meeting in person if you wish.

Recommendation

Your directors consider the passing of all of the resolutions at the annual general meeting, including those to be proposed as special business, to be in the best interests of the Company and the shareholders as a whole.

Accordingly your directors unanimously recommend shareholders to vote in favour of all of the resolutions to be proposed at the annual general meeting, as they intend to do in respect of their own beneficial shareholdings.

Yours sincerely

Notice of Annual General Meeting continued

Explanatory Notes

These notes are intended to explain the business to be transacted at the annual general meeting.

Resolution 1 – Report and financial statements

The directors of the Company are required to present to shareholders the financial statements, the directors' report and the auditors' report on the financial statements.

Resolution 2 – Approval of remuneration report

The directors' remuneration report can be found on pages 41 to 46 of the 2008 annual report and financial statements. The shareholders are being asked to vote on the remuneration report in relation to directors. The vote is advisory and the directors' entitlement to remuneration is not conditional upon the resolution being passed.

Resolutions 3, 4, 5 and 6 – Re-appointment of directors

Paddy Gallagher and Owen O'Donnell (a member of the audit committee) have both been appointed as directors since the last annual general meeting and are submitting themselves for re-appointment. Paddy Gallagher succeeded Peter Gill as finance director on 2 June 2008. Paddy has a service agreement with the Company that is terminable on 12 months' notice. Owen O'Donnell was appointed as a director on 11 September 2008. He does not have a service agreement with the Company. In addition, one third of the other serving directors are required to retire as directors and therefore Ian Burke and Bill Shannon will be retiring by rotation. Ian Burke is chief executive and he has a service agreement with the Company that is terminable on 12 months' notice. Bill Shannon (a member of the audit, remuneration and nominations committees) does not have a service agreement with the Company. Biographical details of all directors seeking re-election are set out on pages 32 and 33 of the annual report and financial statements.

Resolutions 7 and 8 – Re-appointment and remuneration of auditors

The Company is required to appoint auditors at each general meeting at which accounts are laid, to hold office until the next general meeting. On the recommendation of the audit committee, the board proposes that PricewaterhouseCoopers LLP be re-appointed as auditors of the Company. Additionally, the board proposes that the audit committee be authorised to agree the auditors' remuneration.

Resolution 9 – Authority to allot shares

Resolution 9 will allow the directors to allot unissued ordinary shares of the Company and securities convertible into shares with pre-emption rights, up to a maximum aggregate nominal value of £18,800,000, which represents approximately one third of the issued share capital of the Company as at the date of the directors' report plus amounts reserved for the exercise of share options. The authority will last from the date of the passing of the resolution until the next annual general meeting of the Company. The directors have no present intention of exercising this authority otherwise than in connection with the exercise of options.

Resolution 10 – Authority to allot shares for cash

Resolution 10 will allow the directors to allot unissued ordinary shares of the Company and securities convertible into shares ("relevant securities") for cash, other than to existing shareholders in proportion to their holdings. The aggregate nominal value of relevant securities which can be allotted under the authority is limited to £2,700,000 being equal to approximately 5% of the nominal value of the issued share capital of the Company as at the date of the directors' report. The authority will last from the date of the passing of the resolution until the next annual general meeting of the Company. The directors will have due regard to institutional guidelines in relation to any exercise of this authority, particularly the requirement for prior institutional consultation before making any issue which exceeds 7.5% of the Company's issued share capital in any rolling three year period. The directors have no present intention of exercising this authority otherwise than in connection with the exercise of options.

Resolution 11 – Authority to make market purchases

Resolution 11 will authorise the Company to purchase up to 15% of its issued ordinary shares at or between the minimum and maximum prices specified in the relevant resolution. The power would only be used after careful consideration by the Company, having taken into account market conditions prevailing at the time, the investment needs of the Company, its opportunities for expansion, and its overall financial position. The authority would only be exercised by the directors if they considered it to be in the best interests of shareholders generally and if the purchase(s) could be expected to result in an increase in earnings per share.

As at 8 March 2009 (being the latest practicable date prior to the publication of this document), there were options outstanding over 5.41 million ordinary shares, representing 1.39% of the issued share capital of the Company. If the authority granted under resolution 11 were to be exercised in full by the directors, such shares would represent 1.63% of the issued share capital of the Company. The Company has no warrants in issue in relation to its shares.

Resolution 12 – Political donations

The Companies Act 2006 (the "Act") requires the Company to seek shareholders' authority for political donations and political expenditure made by the Company. It has been the Company's long-standing practice not to make payments to political parties and it intends that this will remain the case. However, the Act is very broadly drafted and may catch activities such as funding seminars and other functions to which politicians are invited, supporting certain bodies involved in policy review and law reform and matching employees' donations to certain charities.

Accordingly, the directors have decided to seek shareholders' authority for political donations and expenditure in case any of the Company's normal activities are caught by the legislation. The authority sought would be capped at £100,000 for the next year and, although the Act permits shareholders to grant authority for up to four years, the directors will seek to renew this authority at each annual general meeting in accordance with current best practice.
