

Dear shareholders

Alex Thursby
Chair

I am writing to let you know that The Rank Group Plc's annual report and financial statements 2020 and the notice of annual general meeting 2020 are now available on the Rank website at www.rank.com.

This is my first set of full year results as chair of Rank having been appointed on 17 October 2019 following the anticipated retirement of Ian Burke from the Board and his stepping down at Rank's 2019 annual general meeting.

We started the fiscal year by making excellent progress with our venues and digital businesses trading strongly, and the transformation programme continued to deliver. Towards the end of the first half we were pleased to complete the acquisition of Stride Gaming plc ("Stride"), bringing in-house proprietary technology which will spearhead our digital growth over the coming years. The integration of Stride is well under way and we are confident that the expected synergy benefits will be achieved.

In February 2020, we started to experience the impact of the COVID-19 pandemic, particularly in terms of tourist numbers in London, and by mid-March, and in accordance with government requirements, we had closed all of our 140 venues in the UK, Spain and Belgium. Although the Group had a robust balance sheet, the business acted swiftly and decisively to ensure that cash flow was the Group's number one priority, mitigating wherever possible the detrimental impact to the Group's liquidity of our venues being closed.

Performance across the year reflected the strong start offset by the significant impact of the COVID-19 pandemic on our venues businesses with Group net gaming revenue ("NGR") down 8% (underlying NGR down 15%) for the year. Our digital business continued to grow strongly in the year, with NGR up 66% and underlying NGR up 23%, however there is still plenty more to do and opportunities to realise as we integrate the acquired Stride business. With our venues growing NGR by 8% in the first half, the closure of our venues from March 2020 clearly made an impact to full year performance and offset the first half gains, resulting in full year venues NGR falling by 23%.

Earnings per share ("EPS") was 2.5p, down 66% following the shortfall in NGR in the second half of the year. Removing the impact of separately disclosed items, EPS fell by 54% to 7.0p.

In light of the material impact resultant from the COVID-19 pandemic to our business, the Board will not be proposing a final year dividend. The full year dividend will be 2.8 pence per share reflecting the interim dividend paid on 13 March 2020. The Board recognises the importance of the dividend to our shareholders and is committed to paying a dividend when circumstances permit, this will be kept under regular review.

The Board welcomes the UK Government's plans to commence a review of gambling regulations. Rank continues to develop safer gambling environments and other safeguards for our customers. We seek to entertain and provide excitement to our customers but to do so safely and the Board, both directly and through the work of its safer gambling committee, maintains a sharp focus on the delivery of our safer gambling initiatives. The Government's planned review will provide opportunity for the right balance to be created between protection for the vulnerable and modernising regulation to make it more appropriate for today's consumers, both online and in venues. Going forward, the Board will require management to determine the appropriate strategic responses from both changes of consumer buying behaviours resultant from COVID-19 and the effects of any future regulatory changes.

On behalf of the Board, I would like to thank all of our colleagues within the Company for their creativity, energy and hard work in what has inevitably been a very challenging second half to the year. The Rank team worked hard during lockdown to contribute to the national effort, including cooking over 50,000 meals for key workers and vulnerable people in the communities in which we operate. Through close liaison with government officials the team also worked tirelessly to agree how we could reopen our venues as quickly and safely as possible, recognising that our venues provide spacious environments for our customers to safely meet and enjoy some leisure time. We have now reopened most of our venues and the early response from our customers gives us confidence that we can navigate the current challenging environment and return to the growth and earnings trajectory we were delivering pre-COVID-19.

Payment of dividends

The Company is no longer operating a dividend re-investment plan. Shareholders may find it more convenient to make arrangements to have dividends paid directly to their bank account. The advantages of this are that the dividend is credited to a shareholder's bank account on the payment date, there is no need to present cheques for payment and there is no risk of cheques being lost in the post. To set up a dividend mandate or to change an existing mandate please contact Equiniti Limited, our registrar, whose contact details are detailed further on this page. Alternatively, shareholders who use Equiniti's Shareview can log on and follow the online instructions at www.shareview.co.uk.

Shareholder security

We are aware that some of our shareholders have received unsolicited telephone calls concerning their Rank shares. These communications tend to be from overseas-based "brokers" who offer a premium price for your Rank shares but ask you to make an upfront payment, typically in the form of an insurance bond. We recommend that before paying any money you:

- obtain the name of the person and firm contacting you;
- check the FCA Register at www.fca.org.uk/firms/financial-services-register;
- use the details on the FCA Register to contact the firm;

- search the FCA's list of unauthorised firms and individuals to avoid doing business with at www.fca.org.uk/consumers/unauthorised-firms-individuals.

If you use an unauthorised firm to buy or sell shares or other investments, you will not have access to the Financial Ombudsman Service or Financial Services Compensation Scheme ("FSCS") if things go wrong.
