

**Shareholder questions – AGM 2020**

<b>Shareholder question</b>	<b>Company answer</b>
The Indian Passion Rummy digital business increased revenues in 2019/20 but was it operating profitably during 2019/20?	Passion Gaming delivered a small loss for 2019/20 following investments in marketing in the year to drive further scale in a developing market.
On page 11 Capex in 2019/20 was reported in the text as being £44 million but in the pages 61 and 162 capital expenditure is shown as £50.7 million. Which is the correct figure?	The £44m relates to the amount recognised on an accruals basis. However, the £50.7m represents the actual cash outflow on capital expenditure in the year.
Will the proposed gaming site vic.com offer poker or casino games, or both?	We will launch the Vic.com with casino content in Q3 2020/21 with a plan to add poker later in Q4 2020/21.
Rank launched two proprietary games ie Buffalo Wild and Chilli Con Cash – how have these been received by customers and in 2020/21 are any further proprietary games in the pipeline/ due to be launched?	<p>Buffalo Wild and Chilli Con Cash have been very successful.</p> <p>In FY21, we have released one new proprietary game, Luck of the Rainbow.</p> <p>Two more proprietary games are planned to be released later this financial year.</p>
Stride Gaming was prior to Rank’s acquisition seeking digital gaming licences in Sweden, Denmark and Spain. Has Rank made any progress in obtaining digital gaming licences in the countries?	The Group’s current focus remains on its UK and Spanish online businesses. However, as highlighted in our annual report we plan to launch our digital brand Yo in Portugal during H2 2020/21.
A new Enracha stadia sports betting/gaming machine venue is scheduled to open in Torremolinos. Are any other new venues scheduled for opening in 2021?	<p>In August 2020 we opened a new Enracha venue in Girona, with a greater focus on electronic gaming and sports betting.</p> <p>With our venues currently subject to COVID-19 restrictions our focus is on reopening and a return to cash generation.</p>
